DO YOU KNOW...

How to answer kids' questions about sex and abuse?

What kids need to know and can understand at different ages to keep them sexually safe and healthy?

How to tell if a pedophile is operating in your community?

How to assess and influence the sexual climate in your child's school and other institutions?

How you can deal with the influence of media on your child's perceptions of sex and sexual-

- Learn age appropriate ways to communicate about the subject of sex.
- Regular communication with kids makes them less vulnerable to pedophiles & will help teens make healthier decisions.
- Learn how to identify your family's values about sex and communicate them effectively to your children.
